

Предисловие

Основная цель рабочей тетради — помочь ученикам 5 класса в освоении грамматики английского языка, в развитии и автоматизации навыков и умений правильно употреблять грамматические формы в речи.

Представленный материал соответствует учебной программе. Тетрадь может служить дополнением к учебному пособию для 5 класса и использоваться как на уроках и факультативах, так и дома. В конце тетради даны ключи.

Каждый грамматический раздел содержит тренировочные упражнения с образцом выполнения для развития и совершенствования грамматических навыков.

Приступая к работе, учащиеся должны внимательно прочитать задание к упражнению и пример его выполнения. Желательно не только выполнить упражнение письменно, но и проговорить его вслух.
